INTRODUCTION

“We design for a discerning clientele that is well travelled and understands the true meaning of style and luxury.”

- Saar Interiors, founded By Syed Azhar in 2010, has established itself as a brand to reckon with in the ultra-luxury interior space with its impeccable expression of luxury aesthetics. Saar Interiors began its journey as a luxury design, manufacturing & fit-out with a passion for beauty and love for product and space design.
- Observing the shift in design tastes to International, European aesthetics and a want for originality and exclusivity, we collaborated with top class furniture manufacturers in India.
- Azhar is known for luxury designs, furniture & complete interiors.
- The company philosophy of creating inspiring spaces with value of being insightful , adaptable, luxurious & credible, allows Saar Interiors the ability to excel in the most complex designs.

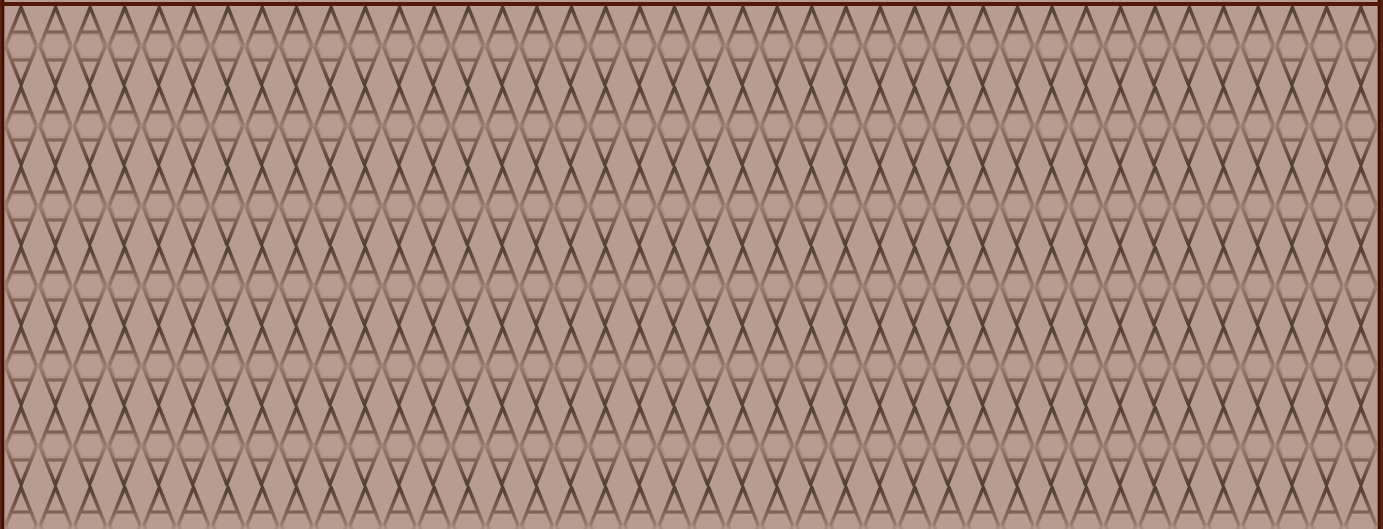

To design manufacture & execute the superior quality of Projects along with furniture pieces that stand for Design, Quality, Design, Innovation and Value. Our dedication to the future enables us to identify new methods of works, innovative materials, progressive techniques and talent that results in statement, space-defining pieces.
